

Full-Time Vision Screening Specialist- AmeriCorps Member (SC)

Summary of Program:

Impact America is committed to improving lives by engaging, empowering, and supporting access to critical resources needed by individuals, families, and local communities through its health, education, and financial initiatives. In order for our communities and institutions to thrive, we desperately need the talent, vitality, and perspective that this generation can bring. In fact, this generation of college students and recent graduates is among the most charitable in American history, with many yearning for an opportunity to make a real difference in communities of need. Impact America provides that opportunity through distinct initiatives, in partnership with AmeriCorps, promoting change while cultivating leadership.

Location: Positions are currently available in Greenville, SC

Position Description:

Vision Screening Specialists serving with Impact America engage with communities through Impact's FocusFirst initiative. **FocusFirst** ensures that children in urban and rural communities receive comprehensive vision care during their crucial formative years. When serving with FocusFirst, Vision Screening Specialists, use high-tech photoscreening cameras to conduct vision screenings for young children in Head Start and daycare centers. All children who fail the screening are referred to our partner, Sight Savers America, for follow-up care services, including eye exams, glasses, or other treatment. Since 2004, FocusFirst has provided vision screenings for over 750,000 children across the Southeast.

Position Responsibilities:

- Attend training on FocusFirst screening equipment/procedures
- Conduct vision screenings at Head Start and daycare centers throughout your state of service.
- Process results from vision screenings to ensure that follow-up care is provided for all children who need it
- Recruit and lead volunteers to assist with screenings, as needed
