

Full-Time Community Engagement Specialist- AmeriCorps Member

Summary of Program: Impact America is committed to improving lives by engaging, empowering, and supporting access to critical resources needed by individuals, families, and local communities through its health, education, and financial initiatives. In order for our communities and institutions to thrive, we desperately need the talent, vitality, and perspective that this generation can bring. In fact, this generation of college students and recent graduates is among the most charitable in American history, with many yearning for an opportunity to make a real difference in communities of need. Impact America provides that opportunity through distinct initiatives, in partnership with AmeriCorps, promoting change while cultivating leadership.

Position Description: Community Engagement Specialists serving with Impact America engage with communities through Impact's two initiatives: FocusFirst and SaveFirst. **FocusFirst** ensures that children in urban and rural communities receive comprehensive vision care during their crucial formative years. **SaveFirst** provides opportunities for financial skill development to low-to-moderate-income individuals and families.

Community Engagement Specialists execute all initiatives that operate in their state of service, as well as recruit and manage the service of college students and other volunteers as they participate in those initiatives. Community Engagement Specialists are in the community nearly every day, collaborating with community partners and interacting with a diverse group of people, ranging from preschoolers to college students to working parents.

Location: Positions are currently available in Birmingham, AL

Position Responsibilities:

FocusFirst:

- Attend training on FocusFirst screening equipment/procedures.
- Conduct vision screenings at Head Starts and daycare centers throughout your state of service.
- Process results from vision screenings to ensure that follow-up care is provided for all children who need it.
- Recruit and lead volunteers to assist with screenings, as needed.

SaveFirst:

- Obtain certification as an Advanced Volunteer Tax Preparer through the SaveFirst training program
- Recruit and train college students and community volunteers on tax law.
- Manage volunteers service at community-based sites.

- Implement marketing strategies to encourage families to utilize free tax preparation.
- Operate tax preparation sites in local communities.
- Provide opportunities for financial skill development to low-to-moderate income individuals and families

Supervisor: Program Manager

Time Commitment: August 2025- May 2026

Pre-service training will begin in August 2025. Coordinators will be enrolled as AmeriCorps members in early October and will have one year from the date of enrollment to serve 1200 hours and complete their term of service. Precise enrollment date will depend on the state in which the member is serving and the start date of the AmeriCorps grant in that area (currently TBD).

Note: Time spent during pre-service does not count toward the 1200-hour requirement.

Service Conditions and Time Requirement: AmeriCorps members will serve an average of 40 hours per week. Applicants must have reliable transportation. This position may include an irregular schedule and seasonal shifts in workload. It sometimes requires weekend, evening, early morning, and off-peak hours. Work will involve conducting direct service in communities of need, outside of an office setting as well as sedentary physical activity requiring sitting for periods of time. 50% or more time is spent looking directly at a computer.

Travel: AmeriCorps members serving with Impact America should expect frequent travel across their state, including overnight travel. AmeriCorps members should expect approximately 50% of their time will be spent traveling to provide service.

Skills Required: Successful candidates will have a record of community service and/or civic engagement, leadership skills, the ability to work well with a diverse group of individuals (e.g., college students, children, community partners), demonstrate flexibility and have a positive attitude.

Academic Qualifications: Members must have completed a college degree or have plans to complete the degree within the first six months of the term of service (this exception may be made on a case-by-case basis with prior approval).
